EXCITING ANNOUNCEMENT

Trico Centre for Family Wellness is delighted to renew our partnership with Shaw Birdies for Kids in 2024!

What does this mean?

With Shaw Birdies for Kids by our side, every contribution you make to Trico Centre's child and youth programs will be amplified. This means that not only will the proceeds from the sponsorship packages, 50/50 sales, and silent auction bids directly benefit our vital programs, but they will also be generously **matched up to 50% by Shaw Birdies for Kids**. In essence, your generosity will have an even greater impact, stretching further to provide essential resources and opportunities for the children and youth we serve.

TRICO CENTRE FOR FAMILY WELLNESS

Trico Centre is a community-owned, not-for-profit recreational facility that has provided affordable fitness and wellness programming and a supportive atmosphere for people of all ages and abilities since 1983. Rooted in our community's core values of wellness, integrity, and partnership, we take great pride in our diverse programs, our customer service, and our deep ties to local businesses and neighbours.

As a not-for-profit organization, we rely on the love and support of our highly valued and diverse community to keep doing what we do best: being a community leader that inspires healthy lifestyles for all through affordable, innovative programs and service excellence.

Trico Centre hosted its first golf tournament in almost a decade in 2023, raising approximately \$25,000 that went back into the facility and its programs. The tournament was a huge success, and it would not have been possible without the support of the golfers, our sponsors, prize donors, and advertisers, as well as the staff at Blue Devil Golf Club.

Inspired by that success and the fun everyone had, we are going to do it again but this year, we are aiming even higher. We are asking you to help us raise \$40,000 for our facility.

As a not-for-profit facility, the support we receive from our members, patrons, sponsors, advertisers, and donors is crucial, and allows us to help children, families, and seniors with their physical, mental, and social health.

What a great event! My guests and I had a wonderful time at the tournament. Well organized, great prizes, and most importantly great people! As someone who attends several charity golf events each year, as a guest and a sponsor, this was one of the best. As a sponsor it was a great opportunity to meet like-minded community members, promote my brand and support a facility that has been a part of my life for as long as I can remember. Some of my earliest childhood memories were at Trico Centre and today I am lucky enough to create memories with my children there. I am grateful for the opportunity to give back to a facility that means so much to my family and my community. Looking forward to next year!

Both from a sponsor and golfers' perspective, last year's tournament was a success and very enjoyable. From pre-tournament details, to the arrival and experience at the golf course, everything was very well organized and well run. And all for a great cause!
