This is an excellent way to give your employees an additional “work perk.” By promoting employee health and wellness within your business, you are creating a better workspace. With generous cancellation and pause policies, you stay in control. At Trico Centre, your well-being is our priority, and we're here to support and adapt to your unique circumstances. Join us and experience a membership that works for you, no matter where life takes you.

Cancellation: After three full monthly payments, there are no penalties or fees to cancel. If you received a member discount on program registration but the program has yet to begin, the discount applied will be owing on your account. All cancellations must be submitted by the 25th of the month to cancel for the following month.

Please note, any changes to your account, including pauses, upgrades, or downgrades require one full monthly payment before a cancellation can be processed.

Monthly Continuous pause: After one full monthly payment, we have a pause option (minimum one month to a maximum of four months per calendar year).

Annual membership pause: After one full month, you can pause your membership for a minimum of two weeks and up to four months per calendar year. The duration of the pause will be added to the end of your membership.

Medical pause: If you are unable to attend Trico Centre for medical reasons, you can pause your membership without penalties or fees for a maximum of six months. A medical note within pause period is required. Please contact Guest Services at guestservices@tricocentre.ca.

Change of membership type: If you would like to change the type of membership you have - for example, from a couple to a family membership or from a single adult to a couple - just let us know! You can do as many “upgrades” as you want in a year, but you can only “downgrade” twice a year.
