

Welcome to Squishy Squashy Science!

Camp Dates: July 7-11

In this camp, kids will become junior scientists, asking questions like "how," "where," and "why" as they explore the world around them! Through hands-on activities, games, and crafts, they'll discover how fun learning can be while developing their curiosity and problem-solving skills. Plus, campers will get to swim in our facility pool once during the week for even more fun!

To have the best camp experience,

***Arrive a few mins early the first day of camp to allow for transitions.**
